Mirna: well keep unnecessary drugs and drug paraphenalia out of the house as best you can
Mirna: and assume you and your computer may be bugged
me: REALLY?
Mirna: they prolly already have a worm in your computer
me: probably
Mirna: you say really but people forget
me: I'm totally unprotected
me: srsly
me: I want them to have the shit on here
Mirna: i'm sure they have a worm in your computer
Mirna: you should get a new ip address
me: fuck it, yo
me: I've got some stuff
me: will tell you later
Mirna: k
